

New Congressional Map for IL-03

'Ann Longino'

to redistrictingcommittee

As a constituent of the Illinois 3rd District, I urge you to keep IL-03 in its same general shape. Our district has historically been a Southwest Side and southwestern Cook County district, and dividing communities and extending beyond its general shape is completely retrogressive and will break up our diverse constituency, diluting our representation in Congress.

Please use this as my email testimony.
